

We all deserve to be understood

We provide interpreters if you prefer to speak with our staff in another language.

NAATI-certified interpreters are competent, qualified and professional and are bound by a code of ethics and code of conduct. This means you can trust any NAATI-certified interpreter, just as you trust your healthcare team.

Your interpreter will:

- interpret accurately and impartially
- keep your information confidential
- respect your privacy

Ask our staff to request an interpreter. It's free.
